FSc Pre Engineering
Completed in 2020
Obtained 882/1100
- Sanai School System
Matric (Bio,Physics,Math)
Completed in 2018
Obtained 1024/1100

About Me

I am a motivated BS SE student at FAST NUCES with a strong academic background and a passion for technology. I have been enlisted in the Dean's List and gained experience as a teaching assistant in Probability and Statistics and Discrete Structures. I have completed notable projects, including a Food Waste Control Website using HTML, CSS, JavaScript, and Node.js, an E-Voting Mobile Application using Java and Android Studio, and a Point of Sale system using C# and SQL. With proficiency in multiple programming languages and essential soft skills, I am eager to contribute my knowledge and skills to the field of software engineering.

Experience

2023 – Present

Teaching Assistant in Probability and Statistics

20221-2022

Teaching Assistant in Discrete Structures
